

Begin Condemnation Proceedings

ALL IN READINESS FOR HALLOWE'EN CELEBRATION HERE

Hoots and howls of witches and owls will be heard abroad in the land TONIGHT. Local pixies, small size, and older gremlins, goblins and assorted witches will be entertained throughout the city from 7:30 to 9:30.

Backers are the city recreation department, Colma, Crocker-Pershing, Jefferson Union High school and Woodrow Wilson PTAs and Our Lady of Perpetual Help Mothers' Club.

Parties will be held for teenagers in the Recreation hall on Bellevue; for youngsters from Crocker and General Pershing school areas in General Pershing school or the old No. 4 Firehouse on Peoria street; students from the Our Lady of Perpetual Help area will be entertained in that school's assembly hall.

Party for young people from Jefferson Elementary and Thornton school districts will be in Jefferson Union High School cafeteria; and the party for children from Woodrow Wilson school area will be either in Jefferson Union High School cafeteria or the Our Lady of Perpetual Help School assembly hall.

Free refreshments will be served at all parties. The programs will consist of costume parades, Halloween stunts and games and amateur contests.

First, second and third prizes will be given for costumes — best looking, funniest and most original will be judged in three age groups; five years and under, six to ten years and eleven years and over.

Other prizes will be awarded to winners of stunt and game contests and to amateur contest winners.

The PTAs are taking charge of decorations and serving of refreshments. Recreation playground directors are in charge of the programs at the parties. Refreshments, prizes and decorations are being provided by Daly City Recreation Department.

PTA women in charge in each center are: Mrs. W. E. Hobbs, Jefferson Union High School PTA president; Mrs. M. E. Nensiel, General Pershing School party; Mrs. Isabella Liberti, Our Lady of Perpetual Help; Mrs. Edna Mullen, Old No. 4 Firehouse. These ladies will be assisted by other members of their respective PTAs.

Recreation Department men stationed at the various party scenes are Bob Siler, General Pershing school; Ben Leap, No. 4 Firehouse; Frank Hukari, Our Lady of Perpetual Help; Beverly Clement, Our Lady of Perpetual Help, and James Henderson, Jefferson Union High school.

Deer Hunters Get Three Mule Tails

The deer hunting members of Daly City Rod and Gun Club wound up the past deer season "in grand style," according to Publicity Chairman George Scully and Harold Pearlman.

Jimmy Fox, George Archer, Percy Smith, Al Speers and Johnny Grunberg spent the last three days hunting the Plumas-Lassen area and got three mule tails. Jimmy Fox, president, got a four point of about 190 pounds, best of the lot. It will be mounted at club expense.

Next on the schedule, of course, is duck hunting and bass fishing.

Ruth Basso In "Holiday" Crew

Ruth Basso, 446 Winchester street, has been named to the costume committee of "Holliday," term play for San Mateo Junior College. Committees are now making plans for the production.

Lions Tour Jefferson Union

The Daly City-Colma Lions Club had an unusual program last Wednesday. A Jefferson Union High School bus carried the members from the meeting place, Estrada's Spanish Kitchen to the high school.

A group of senior girls awaited the Lions and each member of the club was escorted by one of the girls. All parts of the school were visited so the men could see classes at work.

Members expressed surprise at the size of the school plant and at the equipment used. The central heating system was a point of interest. So too was the auto mechanics shop, the photographic laboratory, the offices, science rooms, etc.

Girls who served as escorts included: Cecelia Accinelli, Betty Cheli, Rena Feutrier, Louise Mjehovich, Janet Peterson, Jackie Cuneo, Florence Hannah, June Lemon, Lee Oberg.

Doris Parodi, Eleanor Quickert, Ann Robertson, Beverly Rowe, Claude Unselt, Beth Calvin, Melba Besall, Jean Carrigan, Carolyn Fuchs.

Carol Gesinger, Helen Kimler, Pat McHugh, Helen Plate, Terry Gomes, Dorothy Racette, Alma Becker, Frankie Gracia, Joy Fogleman.

Three of the club members were found to be graduates of the local high school; these were Arnold Panella, Elio Fontana, Carter Callan. Lion Ed Weisenburger was introduced as a member of the school's board of trustees.

Six Samaritans Save Serveau

Six persons today came to the aid of Charles Serveau, friendless patient at Community Hospital who must receive constant blood transfusions to keep from dying of leukemia.

To date, he has received 28 transfusions with blood from the San Mateo County Blood Bank. A few of these blood units have been repaid by employees at Community Hospital.

Serveau, 44, is without family or friends and has no one to turn to for aid as a blood donor, hence the appeal by Dr. Marks.

The physician said that the blood bank has given "fine co-operation in this case but it must have support of the public in order that its reserve supply of plasma and whole blood can be used in answering the daily and nightly emergency calls placed on it."

Members of the Blood Bank Staff said today "that donors wishing to aid Serveau will be given appointment at the blood bank to suit their own convenience of time." Arrangements may be made by telephoning San Mateo 3-1424.

Ice Cream Party At Marchbank

Girl Scout Troop No. 2 had an ice cream and cake party in Marchbank Park last Thursday. After the party Jean Chamberlain, Leona Fenn, Carol Bertelli, Beverly Hamilton, Francine Vasaugh and Myra Gray were appointed to address the "Triad" office in Colma. (The "Triad" is the Girl Scout newspaper.)

Approximately \$3 was collected in Camp Savings Stamps.

Community Chest Agency Gives Aid Throughout County

"Contributing to the Community Chest helps children of divorced or separated parents, and, may, in many cases, aids in reuniting the parents," said Judge Edmund Scott, Catholic Social Service chairman, in issuing an all out appeal today to support the current San Mateo County Community Chest campaign.

"The Catholic Social Service, which is one of the Chest's twelve agencies," he said, "specializes in finding foster homes or appropriate boarding schools for children who are the innocent victims of broken homes. And, believe me, after you have heard some of the tragedies that come up in the courts of the land, you realize the social importance of salvaging our youngsters."

"But this is only one facet of our work," Judge Scott continued. "Our activities in the county are as broad as the whole gamut of human needs. Catholic Social Service turns a deaf ear to no one, regardless of race, religion, color or condition. Our charities cover a multitude of cases. And they are growing more numerous with the rapid growth of the Peninsula area."

"There are many cases in our files," Judge Scott continued, "that are of course, different but equally important, and we are appealing to the citizens of San Mateo County to give to their solicitors, or send directly to the headquarters of the Chest, 301 Lorton avenue, a generous contribution."

Murder Charge Lodged Against Mrs. Martinelli

A charge of murder was filed in Daly City police court late last Thursday against Mrs. Margaret Frances Martinelli, the 41-year-old Colma housewife who shot her husband Edward, 46, to death Wednesday morning because he allegedly refused to continue an argument over his supposed interest in "another woman."

Deputy Sheriff Paul Jensen swore to the murder complaint, prepared by Chief Deputy District Attorney A. S. Whitmore. It was filed before Justice John J. Fahey.

Dolwig Attends Constitutional Revision Meet

Assemblyman Richard J. Dolwig, San Mateo County, left Tuesday to attend a meeting of the Joint Interim Constitutional Revision committee of the California Legislature at Santa Barbara. Dolwig will return from the two-day meeting today (Friday).

The session will hear Justin Miller, former justice of the US Circuit Court of Appeals, Washington, D. C., now head of the National Association of Broadcasters. The Interim Committee on Constitutional Revision is composed of ten members from the State Assembly and ten from the State Senate.

Alfred W. Robertson, Santa Barbara legislator, is chairman of the Committee.

According to Assemblyman Dolwig, the State of California is operating under a constitution that is extremely complex. The purpose of the committee is to propose simplification and revision.

FINAL PURCHASE MOVE FOR AUDITORIUM LAND INSTITUTED BY COUNCIL

D. C. BAND AGAIN WINS FIRST PLACE

George E. Brenner, conductor of the Daly City Band, again reports a first prize win for the organization. This, the fourth straight first prize, was achieved at Hunters Point last Sunday.

This also makes the band the northern California champion, and the honor was won in stiff competition.

Next appearance of the band will be at the annual East-West Game at Kezar Stadium on New Year's Day.

A holiday concert is being considered for Sunday, December 21, in the new auditorium of Our Lady of Perpetual Help. The program will be announced later.

Annual Reception Held By Jefferson District Teachers

Classroom Teachers Association of Jefferson District held its annual reception in honor of the Board of Trustees.

Chairman was Mrs. H. Colwell of Thornton School. New teachers in the district were greeted.

The group plans an active year.

Ball Team Will "Throw" A Dance

A Benefit Dance will be given by Daly City Baseball Club in Colombo Hall on San Pedro road in Colma on Saturday night, November 22. Music will be furnished by the Rhythm Boys. For an admission fee of 75c there will be dancing from 9 p. m. until 2 a. m.

The entire team composes the committee for "Getting Things Done."

Bob Stueve Is Seaman 2-c

Robert Lee Stueve, son of Mrs. C. Stueve of 239 Crocker avenue, has completed his basic training at San Diego with high honors and will now go on to a fleet activity or school whichever he has chosen. Stueve joined the Navy on the 21st day of July, 1947 at San Francisco.

CUBS PLAN NOV. EVENTS

The Halloween party for Pack 36, B.S.A., was held on Tuesday evening in St. Francis Community Church, with Don Williams, Carl White, Bert White, Dick Hopman, Dick Hiatt, George Spoulos, Gerry Wacks, and Robert Pool present from Den 16. Plans were completed for the trip to Santa Rosa on November 11, and the Father and Son Dinner to be held on November 14.

The next den meeting will be held this (Friday) afternoon in the home of Mrs. Ted Hopman, 27 Gambetta street.

Crandall Appointed Belmont Postmaster

The Post Office Department announces the appointment of Harold W. Crandall as acting postmaster of Belmont effective November 1. He succeeds Acting Postmaster James F. Furlong jr., who is resigning to enter private business.

Owners Forced To Sell Condemned Property To City

City councilmen voted Monday to authorize the city attorney to complete purchase of the lots which will be used for the construction of a civic auditorium and park. In Resolution 1004, Attorney F. E. Hoffman is directed to institute eminent domain proceedings against property holders.

The land for the proposed building is bounded on the south by Alp street, on the east by Hillside boulevard, the west by Mission street, and the north by a line 142 feet south of East Vista avenue. So far the city has deposited \$18,500 with California Pacific Title Insurance Company for payment on the lands.

In the present budget, as of the first of July, 1947, \$16,000 has also been allocated for the purchase of the property.

Lots are now owned by B. C. and Clementine Ross, the State of California, and Alice Burke. It is these which are to be condemned under the new resolution.

Properties which have taken up the \$18,500 of the lot purchase fund are those of Russell and Colburn; lots belonging to Eugene Vignati, and to H. H. Smith, Daly City politician, who owned 90% of an acre of land; and property of Julius F. Helm.

Information concerning the land belonging to Jane E. Goodenough and Louis and William Nietenstein is not at present available through absence of proper sources of information at press time. It is not known whether funds to pay for these properties are included in the \$18,500 or in the new amount budgeted.

The plan for an auditorium was originally conceived when it was believed the county would match city funds for a building, and the state would contribute to the purchase of the land.

The hope of these subsidies has since vanished, and where the funds for the structure will come from is moot. It is difficult to believe that the city could float a bond issue to equal the amount which they will obviously need to spend for the building.

There is, however, a State bill, lovingly dubbed the Christmas tree bill, which agrees to match funds with the cities for any civic projects. This could be utilized for the auditorium IF.

Daly City sewage disposal plant met with the standards of the State Health Department. At present it is believed that while adequate to our needs, the plant is a little sub-standard.

If this were remedied, the money at our disposal in the \$90,000,000 state fund, which is approximately \$80,000, would be available to the city. HOWEVER:

It would take just about all of the money allocated to us to complete the sewage project. And there we are. It might have been a good idea to follow the suggestion originally made by the Daly City Record which advocated using the land in the upper section of Marchbank Park already owned by the city.

But that, no doubt, would have prevented free circulation of money which is so to be desired.

M. L. Alexander In New York

Millard L. Alexander, motor machinist's mate 3-c, USN, son of L. R. Alexander, 17 Cottonwood drive, is serving aboard the submarine USS Argonaut, one of a group of ships which have been in New York in observance of Navy Day.

THE UNAMERICAN CAUCUS

Good, American government, whether it be national, state, county or municipal, should be entirely open to the public at any time. The so-called caucus, or closed meetings, of any governing body do not follow the American ideals in any way, shape or form.

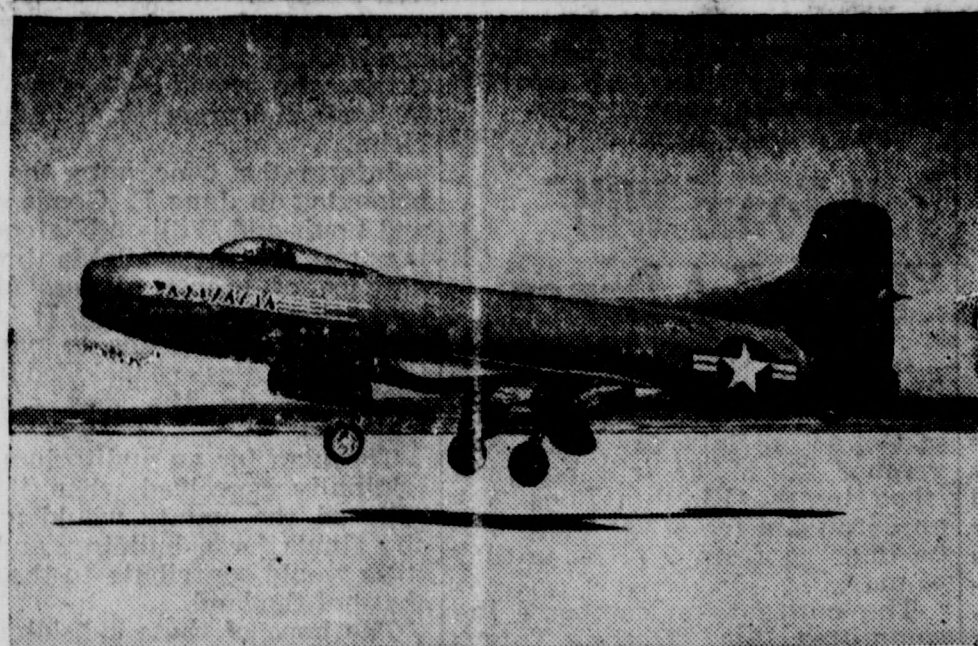

Worse yet is the fact that some city councils, due to apathy on the part of citizens and council members alike, are prone to handle important city business outside of the city hall. Triumvirate meetings in a pool room, someone's private office or a bar room are not too representative of good Americanism.

Bookie joints, one-arm bandits and various and sundry rackets are bound to follow in the wake of such behavior. Juvenile delinquency also gets an added boost from such a let-down by duly elected politicians who get careless and sloppy in the performance of their duties.

Should Daly City wake up to what is going on here, or should all citizens be apathetic, fold their hands and say, "Oh well, just what can you expect of politicians?"

An interested and aroused citizenry is the ONLY brake for any political band wagon and will keep it on an even keel during the interim between elections.

SKYSTREAKS TO RECORD

The Navy captured the world's speed record in August, 1947, and, five days later, broke it with the jet-propelled "Skystreak," shown above. Piloted by Comdr. Turner E. Caldwell, Jr., USN, the plane flew 640.7 miles per hour in the first test at Muroc Field, Calif. Within a week Maj. Marion Carl, USMC, set a new mark of 650.6 miles per hour in the same plane. NEWS FROM THE SCHOOLS

JEFFERSON

The low first grade enjoyed a music appreciation lesson last Thursday afternoon. Recordings of nursery rhymes and rhythmic tales were listened to and discussed by the pupils. The children who dramatized these musical tales were Carol Ann Stanghellini, Carolyn Dennis, Gary Cowden and Phil Fair.

The second grade social studies unit is "Our Community." The children have been making booklets on what composes a community. They started from the early log cabins and general stores to our present day modern homes and markets. Leo Kusber, Joyce Barnum, James Stone and Wayne Guisti are making a large drawing of stores, churches, fire stations, schools and homes. The boys and girls will all help in making this drawing by adding libraries, community centers, parks and playgrounds.

The purpose of this unit is to stimulate interest in reading, drawing and their surroundings.

The second graders are now engrossed in making cut-outs that will reflect the Hallowe'en spirit. Even our arithmetic papers contain pictures of hats, brooms, and pumpkins, which require an additional number of accessories to be completed. Since the children can think of holiday the work reflects the interest of the children and their learning progress.

The low third grade has been taking a make-believe voyage to see what children in other countries wear. Before leaving on the trip they became familiar with the clothes boys and girls wear in San Mateo county for work, for play, and in all kinds of weather. The first stop was on the shores of Africa. After going up the Congo River as far as possible they tramped into the heart of the jungles. From there they will go north to the great Sahara Desert.

"Reading is fun" has been proven by the high third grade. These children, after having read the very enjoyable story of the Elves and the Shoemaker, dramatized it for the entertainment of their fellow students, the low fourth graders. Not to be outdone the low fourth is now endeavoring to give a surprise to the third grade by making up a playlet from their science book.

The children of the seventh grade are interested in the "Great Circle Routes" of aviation. On the map of the world the students are using pieces of string, fastening the ends with scotch tape and finding these "Great Circle Routes" between San Francisco and Moscow, New York and Tokio.

The high sixth and low seventh students have been studying the French settlements in the New World. They are making maps that show the settlements in North America before and after the French and Indian War.

Fifth grade pupils are doing textile painting this week. Some of them have finished excellent designs.

Members of the fourth grade class are learning to use the dictionary. They use the Picture Dictionary for children each day to find their spelling words. After they have found the word they use it in a sentence.

They are also practicing arranging words in alphabetical order. This will help when we need to use encyclopedias, and also when looking up names in the telephone book.

Pupils of the high third and low fourth grades are completing their unit on rubber. They have been thinking about the way rubber has changed our way of living. They have learned the United States makes rubber products for most of the world.

Children of the low third grade are going to see a film on "Early Men and Their Homes." They are going to study different world customs.

CROCKER

The low eighth grade students are telling stories for reading class. These stories are selected from the readers, but are told in the children's own words. They are also very interested in the records of traditional American ballads which were recorded by

Production of Oxygen

Production of oxygen in the United States in 1939 was 4.6 billion cubic feet, valued at 24 million dollars; during the war it was greatly increased to supply the metal-working industries, especially for the tremendous shipbuilding activity; now it is said to be a 100 million dollars a year business.

Tex Ritter.

The high fifth and low sixth grade students of Chocker school have been enjoying the broadcasts given by the Columbia Broadcasting System on Tuesday afternoons. They have been giving well known stories, books and plays.

Rooms 4 and 5 enjoyed the following film last week, "Mexican Children." This week we had two films entitled "Argentina" and "Wings Over Latin America." These films are shown in connection with the unit on the Americas.

Under the able supervision of Mrs. Buchanan, the low and high seventh grade students have produced some very artistic effects in perspective drawings of the Crocker school building.

Mexico, a land of contrast and charm, is being studied by the low and high seventh grades. Native costumes and customs, homes and food are some of the topics already discussed. Several movies have been shown.

SNOOP CRUISE

News from the shops this week, just in case you haven't as much time to snoop as we have, includes lots of things you've probably been meaning to get, if only you could remember what it was when you

were in town.

For instance, if you have a passion for hardware stores, and who with a home hasn't, Daly City Hardware has, among some 20,000 other items, a fine big stock of dog collars, harnesses and leashes which are in line for purchase now with the present stringent laws governing your canine pets. Prices

range from 49c to \$1.75.

Also in stock are those fine Resin plastic hoses. You will be particularly taken with the bright yellow one which would seem to make it almost impossible for you to fall over in the dark if you happened to leave it out all night. They come with an unconditional guarantee. A 25-foot one costs \$6.95 while the 50-foot one costs \$12.95.

For some reason the proprietor of this store is selling out all of his China bric-a-brac stock at a great reduction which should be a fine idea for the small but important gifts you have to cough up from time to time.

On sale there is a fine shiny lawn mower for \$19.95. It was \$23.50. It's a good deal for you if you want to invest ahead of the season when you will most need the tool. We know nothing about such instruments, but they tell us it is one of the "better brands." Thus we find snobbery even in the garden.

Getting on a somewhat less mundane plane, the presence of two dozen brand new Bulovas in C. Behrend's jewelry emporium is hereby revealed. They make a handsome gift — especially to oneself and the prices range from \$37.50 to \$75.

Gleason's Dress Shop has just added a new line of dresses, the well-known Jonathan Logan models. The prices from where we sit are unbelievably low. Wool dresses in the group retail at only \$13.95 and are chic enough to be worn most anywhere. Particularly attractive was a brown princess job

which has a deep hood and cuffs of white and brown plaid. Very telling, but not too much so.

They are also carrying some new glen plaids by Harold of New York which are nicely finished and sell for \$39.50. Wonderful for town wear, or for those football game days.

In the lingerie line are some lush Dolly Hart rayon satin gowns in varied shades with lace at the top AND at the center-split hem. They are only \$5.95 — or have you priced lingerie lately?

The new drug store, Lees, is stocking the complete Dorothy Gray treatment. That is, complete. Three kinds of cleansing cream, four types of skin foods, eight lotions and astringents, 15 shades of lipstick, cream rouges, cake rouges, and nail polishes. For that so-to-be-desired velvety look for the holidays an investment in a few of these items might just do the trick.

In the scent department there is that nostalgic and well-bred old favorite, Yardley's English Lavender, well worth the \$2.50 a bottle. And just as a hint to mothers with Those Teen-Age Daughters, it's a lovely cologne for a young girl. Sweetly aromatic, but not likely to have her teachers or her father glaring in her direction.

A thought for the Secret Pal crowd which seems to flourish hereabouts, are the tiny (but not too tiny) vials of Evening in Paris perfume for only 75c. No matter who she is she would rather smell expensive than any other way.

The Gift Shop is showing some really swank things, the sort you

might think you had to trot into San Francisco for. Most special are the Italian ware potteries. For your informal entertaining (in style, mind you) there is a handsome beer pitcher with six mugs with handles. The pottery itself is the neutral beige shade, and the hand done designs are in deep, soft red and green, floral and leaf patterns. It's well worth the \$17.95 for the distinction it can add to that late at night beverage bout.

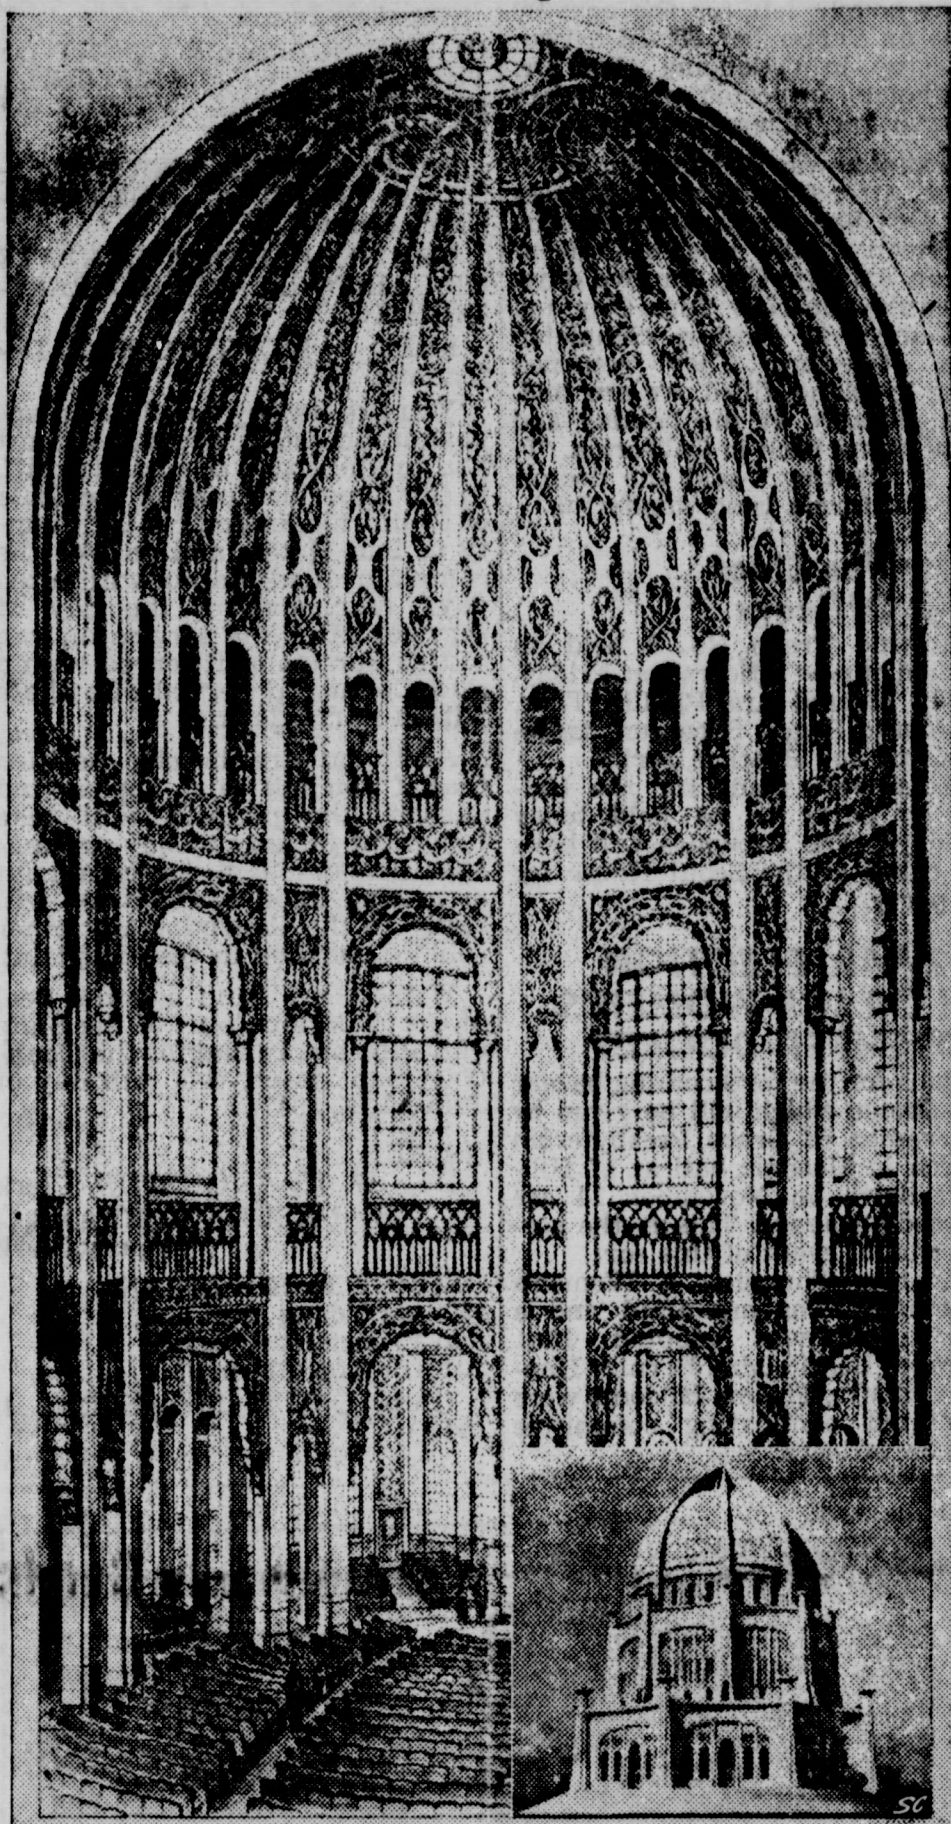

For your chairside table or luncheon parties they have the charming Italian donkey and cart. Which latter holds tiny blossoms to further decorate the spot in which you place it. It's a good conversation piece as well as clever decoration.

And again in the beverage serving department, there is a seven-piece set wound in white and hyacinth blue raffia which is really quite handsome. The glasses have nice heavy bases, and the bottle holds a full fifth of what-have-you. This set is only \$9.95.

Fine gift for wedding anniversary or hospitality-thank-you is the Letheric set for him and her, to be found in. It comes in the usual attractive box and contains large amounts of shaving cream and lotion, and cologne and perfume. Respectively for him and her, and the stuff is very attractively packaged. Sells for \$12.75, but some people are worth it.

See us next week for news from the rest of the shops — we're running out of space.

Plan Baha'i Temple Interior

WILMETTE, ILL.—A circular, domed auditorium surrounded by nine arched alcoves and providing a total seating capacity of 1,600 is one of the features of the design recently approved for the interior of the famous Baha'i Temple located here. The artist's sketch shown above visualizes the impressive height of the central hall and the elaborate pattern of ornamentation. Color will be used extensively, and the focal point of interest will be the specially illuminated symbol of the Glory of God encircled at the top of the dome. Work on the interior will begin within a few months. The gleaming white exterior (inset) was finished in 1943. Total cost of the completed building will be more than \$2,000,000. Purpose of the temple, built with contributions from members of the Baha'i World Faith in all parts of the world, is "not to enshrine the particular beliefs of one more denomination or sect but to glorify the divine truth underlying all revealed faiths."

Ordinance No. 274

AN ORDINANCE ESTABLISHING A LICENSE FEE FOR SHEETMETAL WORKERS; PROVIDING SUPERVISION OF SHEETMETAL WORK; AND PROVIDING PENALTIES FOR VIOLATION

The City Council of the City of Daly City do ordain as follows:

Section 1. The enforcement of this Ordinance shall be under the supervision of the Building Inspector. The Building Inspector shall have the power to appoint and remove, subject to the approval of the City Council, assistant sheet-metal inspectors.

Section 2. The Building Inspector shall require, examine and check plans and specifications, drawings, descriptions and information submitted to him by any person applying for a building permit and relating specifically to sheet-metal work. He shall inspect all sheet-metal work authorized by any permit for the purpose of determining whether or not such work complies with the provisions of Ordinance No. 219 of the City of Daly City, or amendments thereto, approving or condemning the same in whole or in part, as the conditions require.

He shall issue a certificate of approval for any work pertaining to sheet-metal work approved by him, said certificate authorization for the doing of said work.

Section 3. Any person desiring a building permit requiring sheet-metal work, at the time of filing an application therefor, as provided herein, shall pay to the Building Inspector a fee as required in this section:

For issuance of a permit for sheet-metal work..... \$1.00
Add for each flue..... .50
Add for each gas furnace connection.... .50

Section 4. Any person, firm or corporation violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punishable by a fine of not more than \$300.00 or by imprisonment in the County Jail for not more than Ninety (90) days or by both such fine and imprisonment.

Section 5. The City Clerk of the City of Daly City is hereby instructed to cause this ordinance to be published once in the Daly City Record, a newspaper of general circulation, printed and published in the City of Daly City, and hereby designated for that purpose.

Introduced this 14th day of October, 1947.

Passed and adopted as an Ordinance of the City of Daly City the 27 day of October, 1947, by the following vote:

AYES, Councilmen: DENNIS, McHUGH, BATTYE
NOES, Councilmen: NONE
ABSENT, Councilmen: CRAIG, GAGGERO.

MELFORD D. BATTYE
Mayor of the City of Daly City

ATTEST:

NOTICE TO PAY ASSESSMENT HILLSIDE MANOR

NOTICE IS HEREBY GIVEN that, pursuant to the provisions of law governing said matter, the assessment in the improvement project in the City of Daly City, under Resolution of Intention No. 1947-2, was recorded in the office of the Superintendent of Streets on the sixth day of October, 1947; that all sums assessed therein are due and payable immediately; that the payment of said sums is to be made to the Superintendent of Streets, City Hall, Daly City, California, within sixty (60) days after the sixth day of October, 1947, and if not paid within sixty (60) days, serial bonds will be issued to cover the amount of unpaid assessments pursuant to the Improvement Bond Act of 1915, the last installment of which bonds shall mature nine (9) years from the second day of July next succeeding ten (10) months from their date.

DATED: October 6, 1947.

SUMMONS

No. 43855

Action brought in the Superior Court of the State of California in and for the County of San Mateo, and the Complaint filed in the office of the County Clerk of said County and State

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO

O. C. BURKHART and GERTRUDE N. BURKHART, his wife Plaintiffs, vs. ETHEL B. SMITH, GUY TYSON SLAUGHTER, CHARLES GEORGE SEAGER, FIRST DOE, SECOND DOE and THIRD DOE, Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

ETHEL B. SMITH, GUY TYSON SLAUGHTER, CHARLES GEORGE SEAGER, First Doe, Second Doe and Third Doe, also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the Complaint adverse to Plaintiffs' ownership, or any cloud upon Plaintiffs' title thereto, DEFENDANTS.

YOU ARE HEREBY DIRECTED to appear and answer the Complaint in an action entitled as above brought against you in the Superior Court of the State of California, in and for the County of San Mateo, within ten days after service on you of this Summons — if served within this County; or within thirty days if served elsewhere.

That said action is brought to obtain a judgment and decree quieting Plaintiffs' title to the following described real property, situated in the County of San Mateo, State of California, and to determine all adverse claims thereon, and particularly described as follows, to wit:

Lots 22, 23 and 24 in Block 32 and Lots 28, 29 and 30 in Block 31, as designated on the map entitled "AMENDED AND SUPPLEMENTAL MAP OF MONTARA SAN MATEO COUNTY CAL.", which map was filed in the office of the Recorder of the County of San Mateo, State of California, on October 16, 1907 in Book 5 of Maps at page 25.

also for general relief, as will fully appear in the Complaint on file, to which special reference is hereby made.

And you are hereby notified that unless you appear and answer as above required, the said Plaintiffs will apply to the Court for the relief demanded in the Complaint.

Given under my hand and the seal of the Superior Court at the County of San Mateo, State of California, this 14th day of August, A. D., 1947.

San Mateo Jaysee Notes

San Mateo Junior College grid-ders will invade Salinas tonight (Friday) to face a strong Salinas jaysee eleven in a conference game. Last year the Mateans won out on the same field by the close score of 13-12.

San Francisco jaysee eked out a 7-6 win over San Mateo Junior College Saturday on the Burlingame High School field. The game was preceded by numerous invasions of the rival campuses, a type of activity both student bodies hope to end. San Mateo dominated the playing during the whole game, except for San Francisco's one winning drive, and kept the ball in San Francisco territory. The Mateans had six drives peter out on the Rams' ten yard line, and then lost on having their touchdown conversion blocked.

Rehearsal for the presentation of "Holiday," Philip Barry's comedy, in November, continues with the Players Club working each day

Frank Watson Rites Held

Funeral services for Frank G. Watson, 63, of 526 Evergreen avenue, who died last Wednesday in Southern Pacific Hospital after a year's illness were held last Saturday morning.

Mr. Watson, a native of Boston, was a long time resident of Daly City and had been a machinist for the SP railroad.

He is survived by his wife, Rosemary Watson and two daughters, Mrs. Priscilla Callo-way and Mrs. Shirley Daley.

on the play.

Monday evening, November 10, the college will present an evening program open to the general public without charge. An illustrated lecture showing an 18-month trip of a sailing vessel around the world, with stops at unusual interesting places, will form the program.

Local Couple Return From East

Mr. and Mrs. Charles Uomini returned to Daly City last Saturday from a three-week trip to the east coast. And just for your edification, Mrs. Uomini is Dr. Aghavni Shaghoian, local medico of 6387 Mission street.

The couple left for the east by plane on September 30. In a two-day stop in Oklahoma City Dr. Shaghoian inspected the Indian Reservation Tuberculosis hospital.

Next stop was Washington, D. C., where, after four days of sightseeing, Dr. Shaghoian attended the American Public Health Convention in Atlantic City for two days.

Ten days in New York City and four days in Boston completed their itinerary. They returned home by plane, filled, we are told, with pleasure at the holiday and joy at being back in California. "It was interesting," said the doctor, "but California is so wonderful."

Brownies Elect New Officers

Brownie Troop No. 8 held an election of new officers last Friday. Newly elected are Phyllis Thur, president; Peggy Sorensen, treasurer, and Joy Beecher, scribe.

Plans were made for the Hal-lowe'en party to be held today (Friday). The Brownies will bake cup cakes at the Scout House for the party.

BAZAAR, ELECTION ON GRACE WOMEN'S NOVEMBER DOCKET

Plans for the forthcoming bazaar and dinner which will be given by the women of Grace Presbyterian church in Masonic hall at 17 Hill-crest drive on November 14 are proceeding apace. This is the second annual event of this sort.

On last Thursday a Women's Federation was organized and a constitution was adopted. Mrs. Florence Beattie, Mrs. Bernice Han-nah and Mrs. Thelma Hilcomb were appointed nominating committee for new officers.

Notice to Contractors
(Advertisement)

1. NOTICE IS HEREBY GIVEN that the Jefferson Union High School District of Daly City, California, will receive bids for the furnishing of all labor, materials, transportation and service for the erection and construction of two shop buildings at the Jefferson Union High School site, 6996 Mission Street, Daly City 25, California.
2. Each bid to be in accordance with the plans and specifications now on file with Richard M. Bates, Jr., Architect, 44 McLea Court, San Francisco 3, California, where same may be examined and copies obtained upon deposit of \$25.00 per set, which deposit will be refunded upon the return of such copies in good condition within five days after the bids are opened.
3. Each bid shall be made on a form to be obtained at the office of the architect, Richard M. Bates, Jr., 44 McLea Court, San Francisco 3, California, and must be accompanied by a certified or cashier's check or a bid bond for ten percent of the amount bid, made payable to the order of the Board of Trustees of the Jefferson Union High School District, shall be sealed and filed with the Clerk of the Board on or before the 25th day of November, 1947, at 7:30 P.M. and will be opened in public at or about 7:30 P.M. of that day in the office of the District Superintendent, 6996 Mission Street, Daly City, California.
4. The above mentioned check or bond shall be given as a guarantee that the bidder will enter into a contract if awarded the work, and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested to do so by the Board of Trustees of the Jefferson Union High School District.
5. The successful bidder will be required to furnish a labor and material bond in an amount equal to 50% of the contract price and a faithful performance bond in an amount equal to 100% of the contract price, said bonds to be secured from a surety company satisfactory to the Board of Trustees of the Jefferson Union High School District.
6. The successful bidder will be required to conform with the rates of per diem wages and rates for legal holidays and overtime work prevailing in San Mateo County.
7. The General Contractor and his subcontractors shall favor the employment of local labor when available.
8. All other trades not hereinabove mentioned to receive wage prescribed for that particular craft or type of workman.
9. All labor to receive time and one-half for overtime, double time on holidays, unless otherwise specified. The hourly wage prescribed hereinabove is the per diem rate divided by the aforementioned number of hours constituting a working day.
10. Any person making a bid or offer to perform the work, shall, in his bid or offer, set forth the name and the location of the mill, shop or office of each subcontractor who will perform work or labor or render service to the contractor in or about the construction of the work or improvement and the portion of the work which will be done by each subcontractor.
11. If a contractor fails to specify a subcontractor for any portion of the work to be performed under the contract, he shall be deemed to have agreed to perform such portion himself, and he shall not be permitted to subcontract that portion of the work except under conditions herein-after set forth.
12. No contractor whose bid is accepted shall, without the consent of the awarding authority, either:
 - (a) Substitute any person as subcontractor in place of the subcontractor designated in the original bid or
 - (b) Permit any subcontract to be assigned or transferred or allow it to be performed by anyone other than the original subcontractor, or
 - (c) Sublet or subcontract any portion of the work as to which his original bid did not designate a subcontractor.
13. Subletting or subcontracting of any portion of the work as to which no subcontractor was designated in the original bid shall only be permitted in cases of public emergency or necessity, and then only after a finding re-

GIRL SCOUTS
BENEFITTED BY
COMMUNITY CHEST

"3500 registered active girl scouts and almost 1000 adult volunteers in San Mateo County form a great and inspiring youth movement which deserves the support of all," said Mrs. N. A. Wehe, San Mateo-Burlingame Girl Scout Commissioner, in requesting that generous donations be made today in the local Community Chest campaign to raise \$201,000.

Joining Mrs. Wehe in the appeal for funds were Mrs. Stella L. Jensen, Daly City-Colma commissioner; Mrs. Floyd E. Huff, Millbrae commissioner; Mrs. J. V. Baker, San Bruno-Lomita

Of Real Estate

No. 14088, Dept. 1

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO

In the Matter of the Estate of OTTO SODEMANN, also known as OTTO FRANZ KARL SODEMANN, also known as OTTO C. F. SODEMANN, Deceased.

NOTICE OF SALE OF REAL ESTATE

Notice is hereby given that the undersigned Executrix of the last Will and Testament of OTTO SODEMANN, alias, deceased, will sell at private sale to the highest bidder for cash, and subject to confirmation by said Superior Court on or after Monday the 10th day of November, 1947, at the hour of ten o'clock a.m., at the law office of O'KEEFE & O'KEEFE, Sequoia Building, Redwood City, California, all of the right, title, interest and estate of the said OTTO SODEMANN, alias, at the time of his death, and all the right, title and interest that the said estate has by operation of law or otherwise acquired other than or in addition to that of the said OTTO SODEMANN, alias, at the time of his death in and to that certain parcel of real property located in the City of Daly City, County of San Mateo, State of California, and particularly described as follows, to-wit:

Lots 5-6-42 and 43 in Block 7, as designated on the map entitled "MAP OF SUBDIVISION OF BLOCKS 6-7 AND 8 CONCORDIA LAND COMPANY'S PROPERTY SAN MATEO COUNTY CALIF.", which map was filed in the office of the Recorder of the County of San Mateo, State of California on May 26, 1913 in Book 8 of Maps at page 50.

Subject to all easements and rights of way.

The terms and conditions of said sale are as follows:

For cash in lawful money of the United States, payable as follows: Ten (10%) per cent of the purchase price to accompany the bid, balance on confirmation by said Superior Court. Deed and instrument of Title and Abstract to be at the expense of the purchaser. Taxes and assessments of record shall be pro rated. All bids and offers must be in writing and may be left at the law office of O'KEEFE & O'KEEFE, Sequoia Building, Redwood City, California, or may be filed at the office of the County Clerk of said Superior Court at any time after the publication of this notice and before the making of the sale. Said Executrix reserves the right to reject any and all bids.

DATED: October 18, 1947.

duced to writing as a public record of the awarding authority setting forth the facts constituting such emergency or necessity.

14. The Board of Trustees of the Jefferson Union High School District reserves the right to reject any and all bids and/or waive any irregularity in any bid received. Unless otherwise required by law, no bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

BOARD OF TRUSTEES of the Jefferson Union High School District

By MRS. PEARL JONES, Clerk.

Dated October 22, 1947.

(Pub. Oct. 23, 30; Nov. 6, 1947.)

JEFF UNION PTA
MEETING ON NOV. 6

At the executive board meeting of Jefferson Union High School PTA to be held in the home of Mrs. Stanford Hannah, 28 Cavour street, on November 6, Mrs. Emma D'Isep, chairman for the Nimble Thimble Club, requests that all members return finished sewing at that time for the bazaar.

Mrs. Eve Hobbs and Mrs. D'Isep attended the Fathers' Night program at Brisbane school.

The Mothers-Singers group from this district sang at Girls High School on Tuesday. Mrs. Frances Haussler, Mrs. Edna Hyers and Mrs. Eve Hobbs represented Jefferson Union High School PTA.

Park commissioner; and Mrs. D. C. Berglund, Sequoia commissioner.

According to the officials, the scouting program includes girls from 7 to 18 years of age. The 7 to 10 year olds are Brownies, and they take part in many activities, including homemaking, crafts, singing, dramatics, and many others.

The 10 to 14 year olds are known as Intermediate Girl Scouts. They are also interested in homemaking, sports and games, nature, and out-door activities.

Senior Scouts, from 14 to 18 years of age, study vocational exploration, community service, child care, Wing Scouting and Mariner Scouting.

Emphasis in the program is placed on learning to live and work together and to understand and appreciate all types of people. Scouting is open to any girl regardless of race, creed or color.

"Girl scouts grow into happy citizens who continue to return good to the community that helped them" stated Mrs. Wehe. "That is why those who give to the local Community Chest now will help make their communities better places in which to live."

Fourth Straight
Win For D. C.
Ball Club

Daly City Ball Club won last Sunday's game by a score of 5 to 1, making four straight league wins. Pitcher Hazel allowed 10 scattered hits. Our team collected six hits, and made five of them good for five runs.

Fazzio and Lucia both got triples. Lucia tripled in the first inning to put the club out in front by a two run margin, and the lead was kept until the end of the game.

Ahepans scored one run in the sixth inning. Fazzio also hit a triple scoring two runs in the seventh inning.

This Sunday, weather permitting, the local boys will play Buzz's Shamrocks which are also tied for first place in the AA League. Be sure to get out to see this hard-fought game, and give the local men the support they deserve.

Whist Is Held By St. Michael's

Monthly whist game of the Catholic Ladies Aid Society, Branch 59 of St. Michael's Parish, will be held on Wednesday, November 5 at 2 p. m.

Mrs. M. McKenna is chairman of the committee. Members are Mrs. N. Maguire, Mrs. M. Morgan, Mrs. T. McCarthy, Mrs. R. McLennan and Mrs. N. Norry.

Mechanized Linen Industry

Linen manufacture in Ireland was long a cottage industry. It was not until 1828 that the first successful power-driven flax spinning mill was set up in Belfast, after which rapid expansion of the industry began.

Pray for Rain

In late July or early August of each year the Hopi Indians of north-eastern Arizona stage their annual snake dances with live, poisonous reptiles. This is the Hopis' way of praying for rain—and drenching downpours almost invariably follow.

Big Paper

A single edition of a large New York newspaper requires 13 tons of colored inks, 22 tons of news black and 52 tons of gravure ink. Ink accounts for 3 to 5 per cent of total printing expenses.

medium-sized banana as an apple of the same size or one about the same number of calories. One medium sized potato has Potato Calories

New Lamp

A new one-watt fluorescent night light, guarding Dad against stubbing his toe after he bounces out of bed to warm baby's bottle, has been developed by engineers. The walnut-size lamp, which burns a month for 2½ cents worth of electricity, produces enough light so objects can be seen readily yet its soft glow will not disturb the most sensitive sleeper. The bulb also is useful on stairsteps and to provide convenience lighting in hallways and kitchens.

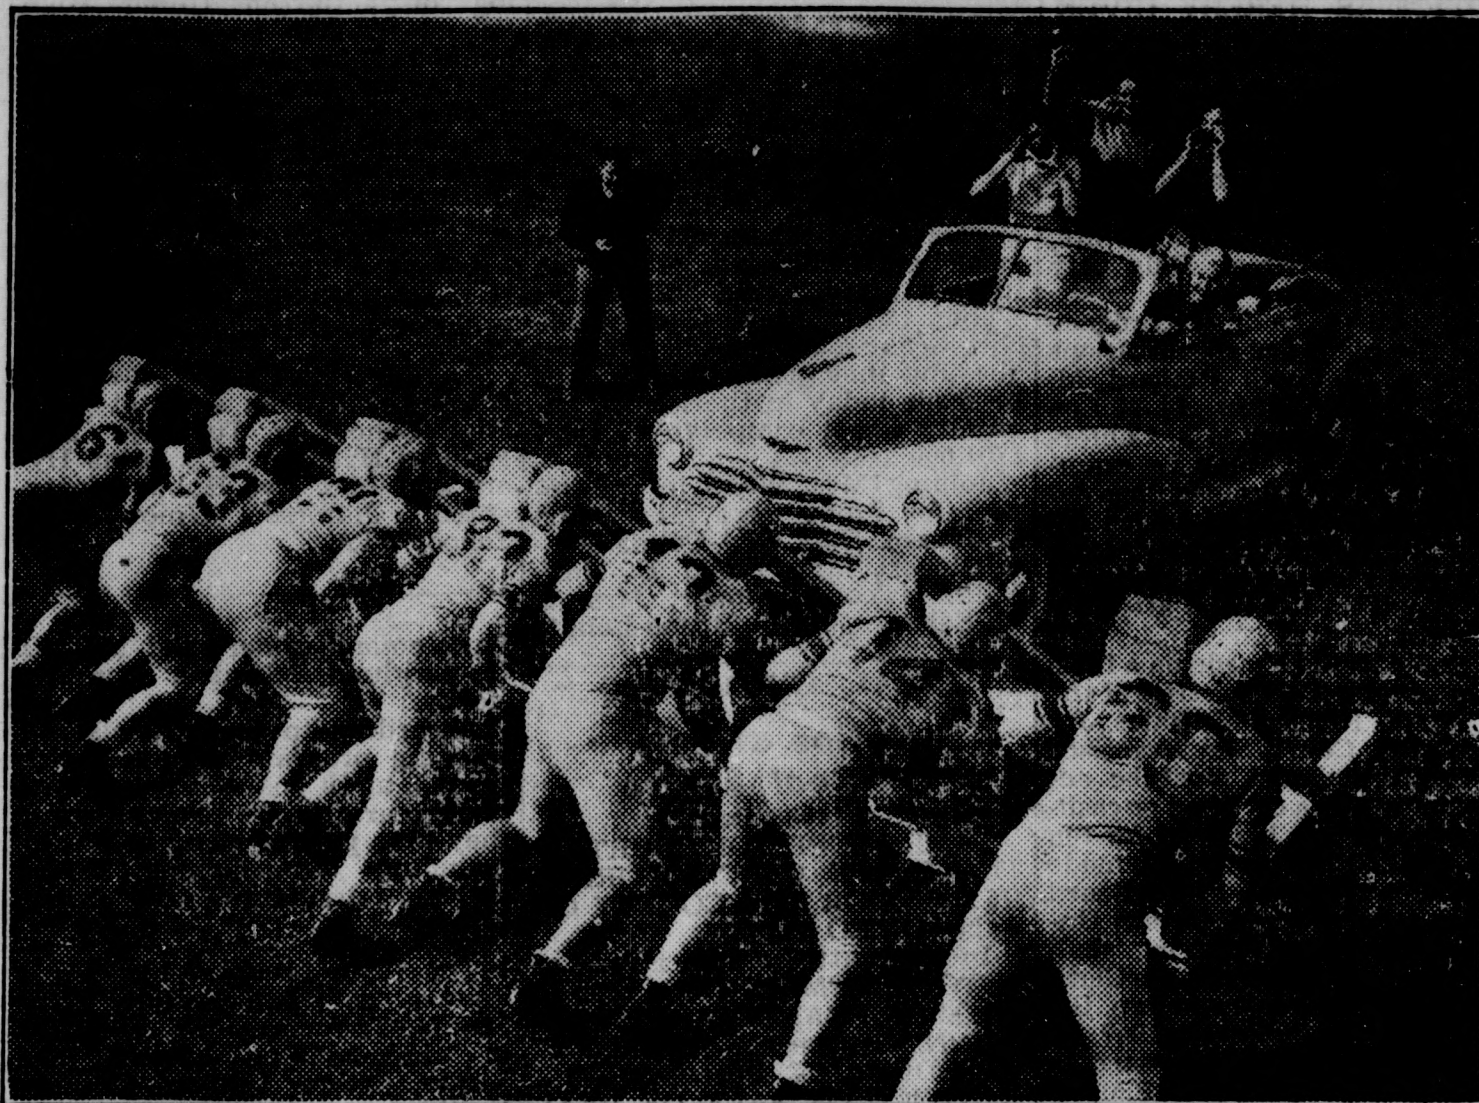

Shrub Cuttings

Many shrubs can be grown from cuttings. Ripe, new wood usually is best. Make cuttings 9 or 10 inches long, cut off the leaves and leave only one or two buds at the top. Make clean cuts, set the cuttings deep, partly shaded. Leave them alone until they start growing. When well rooted, they may be transplanted to the nursery or to their permanent place. Set plants in good soil. A mulch of straw or leaves around the plants will hold moisture and shade the ground in addition to adding organic matter to the soil.

Fertile Java

From fertile, colorful Java—with its chattering monkeys, carabao working in the fields, and natives dressed in sarongs and earrings—come some of the world's most valuable products. Rubber, quinine, sugar, coffee, tea, tobacco, kapok and teakwood, plus the bountiful crops of rice that help feed the island's own teeming population, are typical items high on the list.

Grid Stars Pit Manpower vs. Horsepower

"Seven iron men vs. 90 horses" . . . the forward wall of the Wayne University football team of Detroit works out in novel fashion at the blocking sled, providing the perspiration, while four attractive Tartar fans offer inspiration. The mechanized practice session sought to discover whether the forward wall could "hold that line" against a Chevrolet. The Tartar line admitted they'd had a workout, but said they'd never faced prettier competition.

POLAR RENDEZVOUS

The far-flung activities of American submarines during World War II that brought the undersea craft to the home waters of the Japanese Empire in the van of the fighting fronts, are continued into peacetime as the subs, like the USS Sennet (above), penetrate the Arctic and Antarctic. Submarines are important units of the Navy's postwar expeditions and projects probing the mysteries of distant oceans for scientific data to be used for future planning.

Luiz - Mosman Nuptials Slated For This Saturday

At seven o'clock Saturday evening, November 1 Miss Evelyn Luiz, daughter of Mr. and Mrs. M. G. Luiz, Hanford, California, will meet John Mosman, son of Mr. and Mrs. John Mosman, 232 Hillcrest drive, at the altar of Our Lady of Perpetual Help church. A reception will follow the ceremony immediately at the Recreation Center on Bellevue avenue.

Evelyn has asked her sister Evelyn Luiz to be maid of honor and Marilyn Mosman, sister of the groom, to be bridesmaid. Best man will be Andy Parodi and usher Bill LaHaye.

Herb Seed

Seeds of herbs are likely to be scarce until their production has been resumed in Europe, from which most herb seed came before the war.

Open up a
NEW WORLD of
LISTENING PLEASURE

Your ears will tell you that the new postwar radios provide more pleasing listening. The higher notes of voices and instruments are sparklingly clearer. The deeper tones are full and round . . . not rumbling or drummy. And best of all, background noise, static and fading in the better models have been largely eliminated. Ask your radio dealer for a listening demonstration of the finer sets in his store. Have him tell you about the many improve-

ments that have been made in sensitivity, tuning and tonal range. Then sit back and listen to a flawless reproduction of your favorite radio program. They're mighty fine . . . these new radios . . . mighty wonderful to own.

JEFFERSON HIGH SCHOOL NEWS

Palo Alto Overcomes Jefferson 33-0

In the boiling hot Palo Alto sun last Friday, the Indians went down in defeat, 33-0, under a strong Viking ball club. Palo Alto definitely out-played Jeff's eleven throughout the game, as the score shows. Jefferson did get quite a few bad breaks last week, but Palo Alto was the better team.

Paly kicked off 45 yards to the Indian 15-yard line from which Mossi ran the ball back to the 30. On the third down Jeff punted to the Viking 32-yard line, after which Paly rambled down the field to the first T.D. of the game. The conversion was not good. The Vikings kicked off again.

The Jeffs fumbled the ball on the third down, and Paly recovered. Again the hard hitting Vikings took off towards the Indian goal line, and another T.D. was scored. The quarter ended 13-0 in favor of Paly.

In the second quarter Jeff gained very little yardage but held the Vikings back. At half time the score was still 13-0. Late in the second quarter Ted Van Kirk, Jeff's left half, was hurt and unable to play the rest of the game.

Palo Alto scored two more T.D.'s in the third quarter. Jefferson's Indian eleven was unable to hold the Vikings back.

Early in the final quarter Paly scored another touchdown. The extra point was good. The Indians held the Vikings through the last quarter. As the game ended the Presidents, as we are sometimes called, had the ball in their possession. The final score was 33-0 in favor of Palo Alto.

Frosh-Soph Baffle Vikings

The Papoose team won its first league game October 23 by defeating the Palo Alto Scandinavian warriors 13-7 on the local gridiron.

Both touchdowns were made by Howard McDonald, slick runner, who ran 60 yards for one and 10 for the second. He also ran the conversion.

Palo Alto's team was a well-built team, but they did not seem to click.

Next Thursday will be the next frosh-soph game, and it will be played with Sequoia.

Jeff Loses Twin Bill

Tuesday, October 21, Jefferson and St. James locked horns. The teams from Saint James won both games, the first 17-8, and the second 25-13. In the first game Lung-hi, the captain of the Jefferson 10's, scored six points. In the second game Moran also scored six points.

Jefferson is in for a bad season because of lack of experience. Coach Matthews is doing his best to make a winning team out of both the 110's and 120's. They are expected to do better later in the season.

Chief Know-Em-All Predicts

P.A.L. Games for October 31

Palo Alto over Burlingame. In view of last week's game what could we say?

San Mateo over San Jose. This was a hard one, but we like San Mateo.

Sequoia over South City. Certainly not by much.

Lincoln over Jefferson. We're hoping for an upset.

Student Conference

The annual conference of student delegates from peninsula high schools will be held at Burlingame High school, Saturday, November 1, from 9 a. m. to 3:30 p. m.

Each school is asked to send enough delegates to have at least two representatives at each panel meeting.

The following Jeffersonians will attend: Bob Lazzarini, student body president; Jackie Cuneo, yell leader; Guido Marsilli, freshman president; Laura Chessman, sophomore president; Ray Lagomarsino, junior president; Carol Gesenger, low senior president; Beverly Rowe, high senior vice-president; Babs Tonella, student body treasurer; Jane Bernath and Beverly Finnegan.

The Bajan Volga Troubadors

Will Be Presented Monday

The Bajan Volga Troubadors sent by the National Assemblies of Los Angeles are due to perform for the Jefferson student body on November 3.

This unique musical trio will present a series of songs and dances which characterize their native country, Russia.

They will feature the native dress of their country, and a brief talk will be given by Mr. Bajan on the life and customs of his native Russia.

This trio has toured Europe and has unusual background experience to bring in this very entertaining program.

Colma PTA Bazaar Plans

Colma PTA will hold their bazaar on November 7 in the Community Center on Dunks street. Mrs. E. De Bernardi is in charge of the cake sale and entertainment. Mrs. Pauline Brown will have the wishing well and fish pond.

Mrs. V. Lagomarsino will be in charge of the gift booth. Mrs. V. J. Murphy at the novelty jewelry counter. Mrs. I. Chessman and Mrs. G. Edler are in charge of refreshments. Mrs. I. Benedetti in charge of the groceries, and V. Gregori will sell tickets at the door.

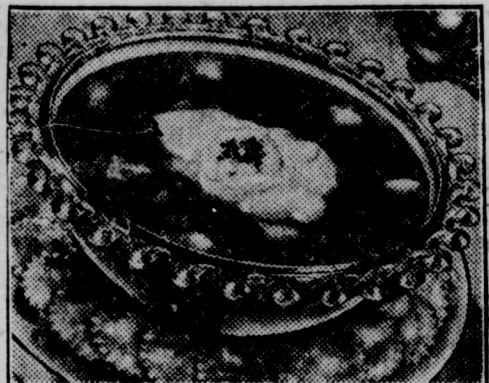

Mrs. L. Bertucci and Mrs. H. Dennis are in charge of fortune telling.

J. V. Murphy will be master of ceremonies and Gino Landi will be accordionist for the dancing. Mrs. Gino Landi will be hostess for the evening.

Food Saving

A new method of preserving food is suggested by German experiments involving the application of plastic coatings to bread and cheese.

Nancy Holmes SUGGESTS

SOME like it hot, others like it cold. That's soup we're talking about, and there are enough varieties to please everyone. But there is one major point to bear in mind, soup temperatures know no middle ground. Cold soups must be icy cold and hot ones must be steaming.

The recipe below is Nancy Holmes' own solution to the hot and cold soup question. She created and tested it in the Best Foods consumer kitchens to play a dual role. In the summer when only something cool appeals to weary appetites, this soup is just the answer. Then in the winter, hurry it to the table piping hot. In other words, Tomato-Pineapple Soup is delicious hot or cold!

Tomato-Pineapple Soup

3 cups tomato juice	½ cup drained, crushed or finely chopped pineapple
1 cup pineapple juice	3 tablespoons real mayonnaise
1½ tablespoons arrowroot or cornstarch	3 tablespoons whipped cream
½ teaspoon ground ginger	2 tablespoons vitaminized margarine
1 teaspoon salt	Chopped parsley
3 tablespoons lemon juice	

Pour 1 cup of tomato juice and pineapple juice over arrowroot mixed with ginger and salt. Cook until thickened and clear. Add rest of tomato juice. If soup is to be served cold, add lemon juice and crushed pineapple and chill. Serve garnished with real mayonnaise mixed with whipped cream. Sprinkle with parsley. If soup is to be served hot, heat all ingredients, add vitaminized margarine and garnish with real mayonnaise and whipped cream. Sprinkle with parsley. Yield: 6 servings.

G.P.A.L. Archery

On Tuesday afternoon, October 22, the girls who participated in archery after school shot their final tournament which determined which girl had the highest average score in shooting.

They have been going out for archery four afternoons a week for four and one-half weeks. The first few weeks they practiced. During the last week they had tournaments among the different clubs. There were four clubs of six to eight girls.

When each of the clubs had met one another, the scores of the girls in each club were added and the club with the highest average was Club 3; followed by 4, 1, and 2.

The tournament on Tuesday was a contest of individual ability, rather than a contest of the club as a whole. At the end of this tournament, all the girls' averages were figured. The five girls whose averages are highest are: Janet Warren, 358.50; Doralyn Bates, 338.25; Clara Zanobini, 336.25; Marie Sharp, 308; Ruth Mangodt, 260.70.

Cranberries Contain Vitamin C
Cranberries contain much vitamin C and the consumer gets the most of this important food element by eating the berries raw, as in orange cranberry relish or other salads.

Ordinance No. 275

AN ORDINANCE AMENDING SECTION 1.29 OF ORDINANCE NO. 252 OF THE CITY OF DALY CITY

The City Council of the City of Daly City do ordain as follows:

Section 1. The provisions of Section 1.29 of Ordinance No. 252 are hereby amended by deleting therefrom the whole of said section and adding thereto a new section, to read as follows:

For issuing permit.....	\$1.00
Add for each of first 10 fixtures.....	1.00
Add for each additional fixture.....	.25
Add for each house sewer to lateral (Inspection fee).....	7.50
Add for each house sewer to main sewer (Inspection fee).....	10.00
Add for septic tank installation.....	1.00
Add for Owner's Permit.....	2.00

See Gas Code for House Gas Piping and Appliance Fees.

Section 2. The City Clerk is hereby instructed to cause this ordinance to be published once in the Daly City Record, a newspaper of general circulation printed and published in the City of Daly City, and hereby designated for that purpose.

Introduced this 14th day of October, 1947.

Passed and adopted as an Ordinance of the City of Daly City the 27th day of October, 1947, by the following vote:

AYES, COUNCILMEN: DENNIS, McHUGH, BATTYE.
NOES, COUNCILMEN: NONE.
ABSENT, COUNCILMEN: CRAIG, GAGGERO.

MELFORD D. BATTYE
Mayor of the City of Daly City

(Pub. Oct. 30, 1947.)

SCOUT ACTIVITIES

Activities of the Boy Scouts, Troop No. 106, for the past two weeks include a trip to the beach and the zoo on October 17, an open house held on October 18, and participation in the Navy Day parade on October 25.

Boys who went to Hunter's Point, scene of Navy Day observations were Dave Barraza, Norm Cady, Joe Lukowitz jr., Billy Valentino, M. Williams, John Winn and Scoutmaster Ralph Capps.

On Monday of this week another meeting was held.

The troop has a membership of 26 registered scouts and is looking forward to an increased membership. Any boy between the ages of 12 and 18 interested in joining the troop are invited to attend the next meeting Monday at 7:30 p. m. in the American Legion hall, 474 San Diego avenue.

ALSO — The troop is sadly in need of an assistant scoutmaster. Any man aged 18 to 80 will probably be welcomed. Interested persons may call Ralph Capps, JUniper 4-1418 or come to the next meeting.

Sweet Potatoes

Sweet potatoes are a highly nutritious food, containing starch, protein, iron and vitamins A, B and C. As a source of energy, protein, mineral, thiamin and vitamin C, sweet potatoes compare favorably with Irish potatoes and, as a source of vitamin A, they are much superior.

New Arrivals

To the wife of Alfred F. Oliver, 231 Vista Grande avenue, on October 9, a daughter.

To the wife of Frederick J. Ryan, 34 Tallwood drive, on October 13, a daughter.

To the wife of Elma Ollison jr., 11 Garden street, on October 20, a daughter.

To the wife of Joseph D. Kana, 435 Irvington street, on October 9, a son.

To the wife of James W. Keehley, 227 Los Banos avenue, on October 15, a son.

To the wife of Gene J. Pardini, Colma, on October 21, a daughter.

Residue Problem

The use of DDT as a spray creates a residue problem similar to that created by the use of lead acetate.

Scouts, Brownies Picnic At Mattrup

Girl Scouts and Brownies will take "nosebag lunches" to Camp Mattrup just outside of Colma tomorrow (Saturday) in celebration of Outdoor Day of Girl Scout Week. After lunch there will be fire

building contests and nature identification races by the troops.

Mrs. Cora Oberg, camp chairman, and Mrs. Irene Cripps, leader of Troop No. 9 and camp nature consultant, are in charge of activities.

Bring in Lumber

About 2 per cent of Illinois' lumber needs come from within the state.

FIRE FIGHTERS FACTS

By Mel Hanson
Publicity Chairman

Vol. 1 No. 10 October 31, 1947

Play Safe Hallowe'en Night

The Daly City Fire Department urges all children to take part in the city-wide Hallowe'en parties sponsored by the Daly City Recreation Department and school PTA groups. We are very sure you will all have a wonderful time.

The fire department will be on duty Friday evening. It is our hope there will be no false alarms turned in that night. Last Hallowe'en we had four false alarms. That was four too many. This year prowling cars will tour the city to try to prevent false alarms. False alarms on Hallowe'en night are more dangerous because of all the children out on the streets.

We don't want to be kill-joys, we want all of you to have a good time, but please make it safe.

In this issue of the Daly City Record you will note the many places for you to go for a party and fun.

Report on Fire Prevention Week

During the week the fire department has received more check list sheets back from the students of the Woodrow Wilson and Our Lady of Perpetual Help schools. In checking the list from the Lady of Perpetual Help school it was found that fifty students are from San Francisco.

The check lists from these students were turned over to the chief of fire prevention of San Francisco Tuesday of this week by Captain Tom Joyce. The chief was very anxious to receive the lists and lauded the Daly City Fire Department for the fire prevention program this year.

Fire Chief Kennedy was well pleased with the response of the teachers and parents in filling out these lists. They are now under study and when they are all in, action will be taken to help each property owner with his fire prevention problems.

Fire Drill Held by Companies 1 and 4

During the past week Companies No. 1 and 4 held fire drills in the out-lying parts of the city, where the San Francisco and San Mateo counties meet. The boundary line of the two counties is crooked; several houses are just on the line, part of the house in San Francisco, the other in Daly City.

In the event of a fire in this district it may be necessary to use San Francisco water. We have special couplings for their hydrants, so our hoses will fit, but we have found out that many San Francisco hydrants have only 33 lbs. pressure without pumping.

With our new fire trucks we are able to build the pressure from 33 lbs. and under to a pressure of 175 lbs. and over. The main reason for this article is to make the people

in the outlying districts feel safer in case of fire.

Here is the eighth installment of the check list provided by Daly City Fire Department to insure you of a safe home, a home safe from the fire menace.

GARAGES

42. Remove rubbish, litter, old papers.
43. Keep clean—no oil drippings.
44. Do not store gasoline or other inflammable fluids.
45. Partitions between attached garage and house should be fire-resistant; door self closing and raised above floor level. NEVER BLOCK DOORWAY.
46. Improper, home-made extensions of wire violate electrical code and good practice.
47. Don't smoke in garage.

Eliminate All Fire Hazards
In Your Home Today!

Letters To The Editor

The Record received the following letter of thanks. We are grateful for the recognition and appreciate it, but must confess it is an extra dividend to be thanked for publicizing something which is near and dear to our hearts—the recreation program for young people.

Daly City Record
Daly City,
California.

Gentlemen:

The baseball season has now drawn to a close, and I wish to take this opportunity to thank the management of the Daly City Record for their generous allotment of space to the games of the Junior and Senior Baseball Teams of the Colma Boys Club during the past summer. I feel that your complete stories of the games, and inclusion of the box scores has been a great factor in maintaining the interest and enthusiasm of the members of the teams. You know that these young fellows are only human, and they like nothing better than to find their names in the sport page. The box scores which you printed were their diaries of the games, and are now safely filed away in the boys' scrap books. Your support has been a major contributing factor in our successful season.

We are looking forward to the 1948 season with great enthusiasm, and hope that we will continue to have your whole hearted support.

Sincerely Yours,
Joseph Sarto,
Sponsor.

LOCAL SCOUT DELEGATES CHOSEN FOR CONVENTION

Mrs. Hilda Heagney and Mrs. Muriel Pabst have been elected delegates with Mrs. Cora Oberg as alternate, to the 29th Convention of the Girl Scout National Council, to be held in Long Beach, California, November 4 to 7.

The convention, first to be held on the West Coast since 1937, will be attended by delegates from all over the United States. Mrs. Stella Jensen, Scout Commissioner said. This is the first convention in which Daly City—Colma has ever participated.

Theme of the Convention is "Girl Scouts United by Ideals." This year for the first time in the history of a youth-serving organization, Mrs. Heagney, Mrs. Pabst and fellow delegates will discuss and vote on vital issues with teen-age members of the organization. Senior Scouts are having their first opportunity to attend a convention as full fledged members.

At a youth panel, boys and girls from sixteen to eighteen representing varied backgrounds, will discuss "Youth Looks at the World of Today," and the results of the discussion will keynote evening sessions. Members of the Y. W. C. A., Y. M. C. A., and Catholic and Jewish groups will take part.

Daly City-Colma Girl Scout Council is especially proud of the delegation representing us at the convention, for they have long been a strong part of the backbone of scouting in the community. Turning to the records which led to the honor given each delegate we find: Mrs. Hilda Heagney has been a Girl Scout Leader for five years and a member of the Board of Directors since its beginning in June 1944, serving as Troop Organization chairman, Juliette Low chairman and at the present time Finance Chairman.

She has availed herself of all possible training courses at Temescal, Asilomar and San Bruno.

Mrs. Muriel Pabst has been a leader for four years and on the Board of Directors since 1944, as program chairman, day camp chairman and training chairman. She, too, has taken innumerable training courses at Chaperell, Temescal and Asilomar, the results of which were shown in the Day Camp program outlined by her for the last two years.

Mrs. Cora Oberg has served as established camp chairman on the Board of Directors since its beginning. She has attended all possible courses given for camp directors, mostly in Palo Alto. Not only has she been camp director since 1944, she has also been on the camp staff of the Methodist Church camp for seven years.

The Camp Stamp Saving Fund which she recently started, will bring camping to a great many more girls.

Bayshore Girl Scouts Join Local Council

The Daly City - Colma Girl Scout Board of Directors held its regular business meeting Monday, October 27, in Jefferson High school. Mrs. Stella Jensen, president, presided.

The group received a letter from Norma Northberg, regional field director, asking the council give consideration to a request from Bayshore Scout leaders to join the local council.

The Bayshore group has been the second to ask for affiliation with the Daly City - Colma organization. South San Francisco was annexed in September.

Members are in favor of the annexation of Bayshore to the area, and final arrangements are in the hands of a committee of six: Mrs. Stella Jensen, Mrs. Helen Gould and Mrs. Marjorie Reandean of Daly City - Colma, and Mrs. Taylor, Mrs. Lynch and Mrs. Fournier of Bayshore.

The growth of local girl scouting has expanded with the population and in following the trend of the times has coordinated its efforts and facilities.

HIGH PRICES DUE TO TERRIFIC FOOD DEMANDS

High prices for farm products are not the result of short supplies in this country, according to Dr. Harry R. Wellman, director of the Giannini Foundation of the University of California College of Agriculture.

Despite the short corn crop, over-

all agricultural production in the United States this year will be large, not small, he said, and will possibly equal the high 1944 to 1946 level, and will certainly exceed the prewar level by more than 30 per cent.

The current high prices are caused by the extraordinarily large domestic demand for food and fibers, coupled with large exports, Dr. Wellman said. At the basis of the large domestic demand, accord-

ing to Dr. Wellman, is the high level of national income. Disposable income of individuals was over twice as large in 1946 as in 1940 despite personal taxes, he said.

Not only is total disposable income exceedingly large, Dr. Wellman pointed out, but it is more evenly distributed than before the war with families in the lower-income brackets gaining most and families in the higher-income brackets least.

Automobile Motels

There are 19,000 automobile tourist "motel" in the United States, according to the National Automobile Club.

"This large and widely distributed disposable income is providing the main support for the high farm prices ruling today," Dr. Wellman stated.

It May Be Universals

If there is a peculiar knocking noise when a car is coasting or when the rear wheels are driving the engine, it may be well to suspect the universal joints, advises the Service Department of National Automobile Club. Worn universal joints usually reveal themselves under these conditions.

SURE OUR CLEANING IS LOUSY

We don't know any place where it's better though. If you think your last cleaning job wasn't hot, try us and see what you get.

Chances are you'll get your cleaning back the day and hour you want it.

We might even sew the lining in your coat after it's been hand finished. That loose button on your suit might be sewn on too and replaced if you need one.

And if you are real nice we will bag your garment so folks won't see the terrible press job we gave you.

Sure you can have your cleaning in one day --- same work as regular 4-day service.

Veteran's Most Urgent Queries Answered

The 10 questions that World War II veterans ask most frequently about job-training benefits under the G.I. Bill were answered by Veterans Administration.

Veterans asked the questions in a study that VA conducted recently to learn how much they know about their Federal benefits. The questions and answers follow:

Q. How much subsistence is paid for on-the-job training and what is the effect of the wage ceiling?

A. Veterans in job-training under the G.I. Bill receive \$65 a month if they have no dependents, or \$90 a month if they have one or more dependents. If they are earning \$175 (without dependents) or \$200 (with dependents) exclusive of their subsistence allowances, they are not entitled to VA subsistence payments under the law.

Q. What is the difference between on-the-job training and apprentice training?

A. The field of on-the-job training is almost limitless. It includes any job, except those of recognized trade status, that has been approved by a State approving agency. The period of job-training must not be less than three months and more than two years. Apprentice training is similar to other job-training, but it only covers certain skilled trades of an apprenticeable nature. Instead of training under an employer, as is the case of a veteran in job-training, the veteran-apprenticeship in each trade. Also, apprentice training may run to a maximum of four years.

Q. Does VA find a job-training place for the veteran?

A. VA does not find an employer for any veteran who desires to enter job-training under the G.I. Bill. However, veterans may get the assistance of state, municipal or other employment agencies in locating a job-training establishment.

Q. How are places of job-training approved and how does a veteran find out what establishments are approved?

A. Training establishments are approved by State approving agencies for job-training under the G.I. Bill. All VA offices maintain a list of approved establishments in the area in which they are located.

Q. What tools and equipment does VA furnish on-the-job trainees?

A. VA may pay for those tools and equipment that are needed by other trainees for the satisfactory pursuit of their training course and are not customarily furnished by the establishment.

Q. Will VA pay tuition for a veteran attending high school while he is in job-training?

A. Yes, providing his course of study is related to the vocation for which he is training, or if the high school course is prescribed and recommended as a part of his job-training.

Q. What happens if the employer dismisses the veteran from his job-training situation?

A. The veteran's training status is terminated and his subsistence allowance ceases. It is then up to

READING HELP OVER RADIO

Listen to the radio and learn how to read more effectively. That's the advice of the University Explorer, who asks the question "Can You Read?" in his broadcast Sunday, November 2, at 11:15 a. m. over the Columbia Broadcasting System.

"Many people who think they know how to read have much to learn about their own reading habits," says the Explorer. Quoting Mrs. Doris Gilbert, instructor in University of California Extension, the Explorer tells of reading efficiency studies and gives helpful hints to those listeners who want to improve.

Station carrying the CBS network program is KQW in San Francisco.

More Trouble Is Due

"When compression in the engine weakens due to cylinder or piston ring wear, the motorist usually thinks first of a loss of power," states L. G. Evans, general service manager for National Automobile Club. "When the cylinders have worn, however, it means for one thing that gasoline is allowed to fall into the crankcase where it dilutes the lubricant. This usually is the beginning of further trouble."

Traffic Deaths

Traffic deaths in the United States per 100 million travel miles in 1946 were at an all-time low of 9.7, reports the Public Safety Department of National Automobile Club.

the veteran to seek another place of employment with approved job-training programs.

Q. What should the veteran do if he is not satisfied with the job-training he receives?

A. That is a matter for the veteran to decide for himself, but it might be advisable for him to seek the counseling of a VA training officer. He can always discontinue his training, or, with VA's permission, he can switch to another training establishment.

Q. What does VA do to make sure the veteran is receiving good training?

A. Under the law, periodic inspections and checks of training establishments are required in accordance with nation-wide training and approval standards.

Q. If the veteran finishes a job-training course and has entitlement time left, may he enroll in another job-training course or may he go to school for the remainder of his entitlement?

A. The veteran may use any remaining entitlement either for job-training or for educational training with VA's prior approval.

This Social Event Is "Outstanding" Say The Irish

The outstanding social event of the year in the social calendar of San Francisco Irish-American organizations, the annual charity grand ball of Division No. 17, Ancient Order of Hibernians, is expected to attract another capacity attendance next Saturday evening, November 1, to California hall auditorium, Polk and Turk streets. In the absence of general chairman and past division president Michael R. McDonagh, expected to return in time for the ball from a vacation and business plane tour of Ireland, national director Jeremiah J. Mulvihill, serving as acting chairman, has presided at several enthusiastic meetings of the arrangements group, and reports all in readiness for a banner function.

The evening's program will open with stage exhibitions of Gaelic step-dancing and singing at 8:30 p. m. The grand ball will start at nine p. m. During the half-time dance intermission, specialty acts will be presented on the stage. During the evening's grand ball festivities, the lilting steps of the Emerald Isle will vie with the latest versions of American terpsichore for favor. Dancing will rule until past the midnight hour, with many out-of-town delegations joining in the evening's festivities.

Elks Will Hold Hallowe'en Fete Saturday, Nov. 1

The traditional Hallowe'en festivities of San Francisco lodge No. 3, Benevolent and Protective Order of Elks, will be staged next Saturday evening, November 1, at the Elks' Club, 456 Post street. P. Lirati, chairman of the function, has announced the dining-hall, clubrooms and lodge hall of the club will be utilized for the fete. Reservations were completely sold out several days ago, according to Lodge Secretary Arthur J. Mangin.

Prevent Skidding

To prevent skidding on wet or slippery pavement, start slowly, speed up gradually, slow down gradually and turn slowly, the California State Automobile Association advises.

Exalted Ruler and Mrs. George Baader head the patrons and patronesses' committee for the affair.

The next business meeting of the San Francisco Elks will take place Friday evening, October 31. A stag dinner party will precede the session, and a buffet supper will follow the fraternal program. The fall golf tourney of the San Francisco Elks will be held next Friday afternoon, October 31, at the Lake-side Golf and Country Club.

HALLOWEEN PARTY GUIDE

Use an apple theme for Hallowe'en

by Carol Drake

BOBBING FOR SHINY RED APPLES has been a part of Hallowe'en celebrations since Medieval days. It's still fun—whether the apples float in water or dangle from a string in a doorway. Our Colonial ancestors added this amusing bit to the custom—still good today. The successful bobber peels his apple 'round and 'round in one piece. Then, swinging the peeling around his head three times, he tosses it over his shoulder chanting:

"By this paring let me discover
The initial letter of my true lover."

MODERN MISSES COUNT APPLE SEEDS to determine marital fortune, much as English girls used to do. "One I love, two I love, three I love, I say. Four I love with all my heart: Five I eat away. Six he loves, seven she loves, eight, they both love. Nine they quarrel, ten they marry, eleven they quarrel, twelve they part, thirteen she dies of a broken heart."

APPLE JACK O' LANTERNS CERTAINLY ARE A FAVOR—they're edible! Cut faces in apples; sprinkle with lemon juice so they won't discolor. Or use paper cut outs—eyes and grinning mouths—on the apples. Place each on a ruffled crepe paper collar, top with a paper cup duncap or insert a small candle.

CARAMEL CANDY APPLES ARE A JIFFY JOB. Melt 1 pound light-colored caramels in 1/2 cup evaporated milk over hot water. Stick wooden skewers or picnic forks in stem ends of washed and dried apples. Plunge apples into the caramel mixture so it covers them, twist twice or thrice; place upside down on waxed paper to harden. They're extra good rolled in toasted coconut or chopped nuts before they harden. One pound of caramels coats 12 medium-size apples.

M-M-M MINCEMEAT IN BAKED APPLES! Two tablespoons tucked in the middle will surprise the "gobblers" in your family.

Carol Drake, Director
The Homemakers' Bureau
An Extra Safeway Service

P.S. PLANT AN APPLE TREE FOR THE "TRICK OR TREAT" CROWD. Put a healthy-sized branch in a bucket of sand and tie apples to it. When the "spooks" arrive on the porch saying "soap or eats" they can help themselves to apple treats.

It's Hallowe'en, witches ride through the air and hobgoblins stalk the streets! It's a ghastly night—with spirits abroad. Everyone knows though, that the hostess who serves eat treats casts the kind of spell that keeps guests in the best of spirits. Safeway has the things you'll need for a successful Hallowe'en party... at money-saving prices too!

Paper Rugs
One of the possibilities of the future is the use of paper rugs. The secret, of course, is a flexible plastic. Gay colors, durability, waterproofness, stay-putness, and ease of cleaning are mentioned as other advantages. The material may have other uses, including coverings for furniture.

NEWS COLUMN FOR VETERANS

One in every five World War II veterans holding National Service Life Insurance policies has converted to one or more of the half-dozen available permanent plans, Veterans Administration said.

Of the 5,746,000 policies in force in August, more than 1,037,000 were permanent and the remaining 4,708,000 were five-year level term policies.

Nearly two-thirds of the veterans who had converted their policies, or 634,900, selected 20-payment life. Thirty-payment life was second in popularity with 194,000 policies. Following, in order, were ordinary life, 156,400 policies; 20-year endowment, 30,950; endowment at age 60, 15,000; and endowment at age 65, 6,300.

Total value of all the G-I policies in force amounted to more than \$34.4 billion. Permanent forms accounted for over \$14.4 billion of this total.

NSLI term policies issued before January 1, 1946, may be continued for eight years from the effective date at the original rates, while such insurance issued after that date may be continued for five years on a term basis.

Term policies do not accrue cash, loan, paid-up or extended insurance value. They may be converted at any time before the expiration of the term period to any of the six permanent plans available.

Question: I am a World War II veteran and would like to know the minimum and maximum amounts of National Service Life Insurance I can take out?

Answer: The minimum for NSLI is \$1,000 and you can get more in multiples of \$500 up to \$10,000.

Question: Do National Service Life Insurance policies participate in savings?

Answer: Yes, if favorable mortality experience and interest earnings warrant a premium adjustment, dividends from gains and savings will be authorized by the Administrator of Veterans Affairs.

Question: Why do I have to pay two monthly premiums instead of one when I reinstate my lapsed National Service Insurance policy?

Answer: One premium is for the 31-day grace period following the date of lapse, during which the insurance was continued in force without payment of premium; the other is for the current month of the reinstatement.

BIG GUNS SPEAK FOR RESERVISTS

With hundreds of Naval Reservists aboard for a two-week cruise, the USS Wisconsin, Pacific veteran of World War II, demonstrates the might of her rifles as she plows over a peacetime Atlantic in the Navy's ceaseless program of personnel training. A participant in all the Pacific operations of 1945, the "Wisconsin" has been one of the principal units employed for the schooling of Reservists since the end of the war.

(Official U. S. Navy Photograph)

Bay Meadows Open For 41 Days

Sunday, a normally quiet day at a race track, was anything but that at Bay Meadows as convoys of huge horse vans shuttled back and forth between the peninsula course and Golden Gate Fields. By night fall the movement was practically complete, with the vast stable area—one of the largest in the entire country—nearly filled to capacity.

Fourteen hundred thoroughbreds were on the grounds by the time the bugle blew for the first race on that rainy Tuesday, assuring full fields for every day of the 41-day meeting.

Johnny Longden, leading rider at Golden Gate, will continue his pursuit of Steve Brooks for national riding honors during the Bay Meadows meeting. The English born perfectionist has booted home a total of 253 winners in the 1947 season and trails Brooks, who is currently plying his trade at the Keeneland track, by a scant seven victories.

The complete West Coast riding colony will be on hand for the local session, along with a number of

additions from the north and east. The riding Zufelt clan will increase by one at Bay Meadows with Ralph, who recently returned from a successful season on the Chicago circuit, joining brothers' Ferril and Grant.

Post time for the first race every day will be 1:15 p. m.

"The Bay Meadows Racer," Southern Pacific race track special, will leave the Third and Townsend street station in San Francisco at 12:17 p. m. daily, arriving at the peninsula course at 12:45 p. m. It will return fifteen minutes after the conclusion of the running of the last race.

OUR COURSE WITH RUSSIA

American patience with the blustering, bullying tactics of Russia has worn pretty thin. This is particularly evident in the strong attack made by Secretary of State Marshall in the UN upon Soviet conduct within the organization and elsewhere. And it is safe to say that Marshall's actions are approved by the American people.

In other words, we are now following a course of blunt opposition to further Russian aggression and expansionism. We are directly meeting political force with political force and indirectly, as in Greece, we are meeting military force with military force.

In an article in the publication Foreign Affairs, Henry L. Stimson warns, however, that we must "make it wholly evident that a non-aggressive Russia will have nothing to fear from us."

He points out that "Soviet intransigence is based in very large part on the hope and belief that all non-Communist systems are doomed. Soviet policy aims to help them die. We must make it clear," he goes on, "that the Western non-Communist world is going to survive in growing economic and political stability. If we can do this, then slowly—perhaps less slowly than we now believe—the Russian leaders may change their minds or lose their jobs."

This approach to the Russian problem Mr. Stimson believes is a "middle course." And it appears to be a wise course since it would swing neither to the extreme of appeasement on the one hand or to rash action on the other.

Smooth Tires

Smooth tires increase the risk of skidding on wet or slippery pavement, the California State Automobile Association cautions. Motorists are advised to have smooth tires replaced or retreaded for winter driving.

White At Night

Shortening of daylight hours, as winter approaches, calls for extra care on the part of pedestrians, the California State Automobile Association warns. When walking at night wear or show something white.

Stripers Running

Striped bass are running this week up the Sacramento River in the Sutter county area, according to the National Automobile Club. Anglers have taken several limits with fish weighing up to 10 pounds each.

Windshield Wipers

Check your windshield wipers in preparation for winter driving, the California State Automobile Association recommends. Properly functioning windshield wipers are an important safety factor, and the cost of replacing blades dried out by the summer sun is slight.

Tel. & Tel. Employees In World War II Honored Recently

A bronze tablet commemorating the service in World War II of 5568 employees of The Pacific Telephone and Telegraph Company and listing the names of 107 who made the supreme sacrifice was dedicated recently in the company's Coast headquarters bulding at 104 New Montgomery street in San Francisco with ceremonies attended by an audience of employee veterans.

The program, which began with the call to colors and ended with taps, included brief addresses by General Mark W. Clark, Commanding General, Sixth Army, and Vice Admiral J. B. Olenford, Commanded, Western Sea Frontier. Captain R. W. Truitt, USN, of the Chaplain Corps gave a prayer. They were introduced by R. E. Hambrook, company vice president.

In his dedicatory talk M. R. Sullivan, company president, said in part:

"No tribute, however eloquently made, could express adequately how deep is our gratitude to all those who served in the armed forces and how reverently we cherish the memory of those who died on active duty. All honor is theirs.

"Let us reaffirm by our adherence to the principles of liberty, freedom and democracy, which offer to mankind the greatest promise of an enduring peace, that the war sacrifices shall not have been in vain."

Acceptance of the plaque on behalf of employees was made by

Kenneth A. Schluter, deskman in the San Francisco plant department, who served in the African, European and Pacific campaigns.

The plaque was unveiled by three telephone women in uniform: Ariel Kier, Harriet Hocken and Catherine Trant. The color guard was composed of Elwin E. Maylone, Robert Graham and Norman W. Stiles.

In addition to those taking part in the ceremonies, veterans on the employee committee on arrangements included E. N. Hicks, chairman, William B. Hollis, Fred L. Davis and Walter E. Watts.

Job's Daughters To Hold Dance

Bethel No. 26, International Order of Job's Daughters, will hold a dance and whist, on November 1, in the Mission Masonic Temple, 2668 Mission street, at 8 p. m.

Inez Kenny is in charge of the whist, and Mary Jacks is the dance chairman. Betty Barner is honored queen.

Builders of Empire

PATRICK HENRY

★ 1736-1799 ★

American patriot, whose fiery words "give me liberty, or give me death..." in 1775, gave torch to the beacon of democracy that has ever since burned so furiously on the American horizon. Zeal such as his has cut the patterns which have given generations superb guidance in the forward march of democracy.

Pattern for guidance. So many are the advancements in building that it is almost impossible to keep up with them all. You'll find it wise to turn to those best qualified to guide you in planning your home. Come in today, and bring your problems with you.

It's time to talk about Christmas... and the perfect gift for him... a

Martin

OUTBOARD MOTOR

Time flies and Christmas will soon be here... especially for those who want to make the holiday a memorable one for the outdoor sportsman. Whether it's husband, father, son, brother, uncle, or sweetheart, he'll look on this Christmas as the biggest one of his life if you give him a MARTIN OUTBOARD MOTOR. Right now is the time to arrange guaranteed Christmas delivery of this fine motor... the new standard of performance in outboard motors. Now, too, is the time to arrange for easy payments so that this most-wanted gift can be entirely paid for when the big day for giving rolls around.

These features and many others make a *Martin* MOTOR the most-wanted gift for any sportsman

- Mechanically-controlled poppet valves, an exclusive MARTIN patent in two-cycle motors insuring uniform fuel distribution. This means instant starting, unbelievably slow cruising, instant and uninterrupted acceleration, surprising quietness in operation, and exhilarating top speed.
- New Martin Vertical Stern Adjustment (Patent pending)—Enables operator to obtain correct vertical adjustment while underway.
- Power-head swivel, 360° (Patented)—Lower unit can swing into boat, permitting easy inspection.
- New Streamlined, Lock-proof Filler Cap—Combines vent and spare shear pin clip. Replaces old style screw-on type.
- Alternate firing
- Propeller clutch
- Steering stabilizer
- Full reverse steering
- Easy grip stern bracket handles
- Depend-a-pull starter
- Long-life sintered bronze rust-proof bearings
- Positive rotor water pump
- Synchronized and centralized controls
- Resiliently mounted handles and power head
- Quiet underwater exhaust
- Positive oil and grease seals

Shown here is the MARTIN '60' Alternate Firing Twin. Weighing only 43 pounds, it develops 7.2 brake H. P. at 4000 R. P. M.

An addition to the MARTIN line is the new MARTIN '40' which weighs only 35 pounds, and which develops 4 1/2 H. P. at 4000 R. P. M. Another great alternate firing twin!
